

How to assemble your **Business Card Box**

1

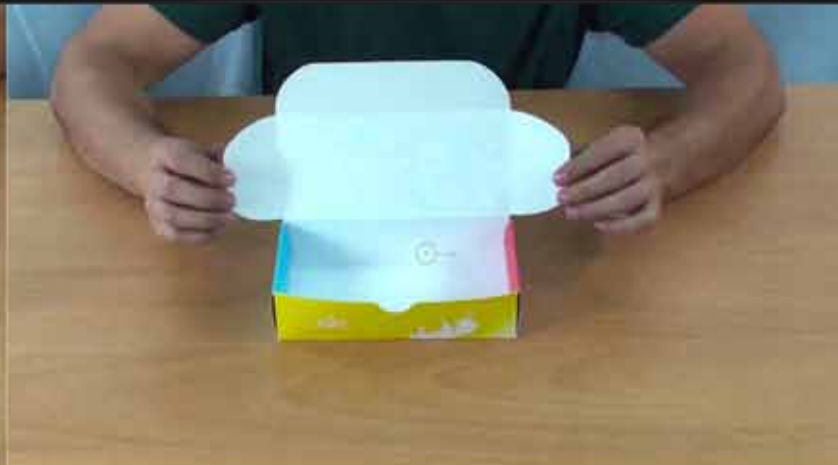

2

On the side of the box, fold in the back and front tabs. Then, fold the outside flap over them. Insert the two notches into the openings on the bottom of the box to secure the sides.

3

Do the same for the other side.

4

5

Fold in the two side flaps on the top of the box. Finally, fold the front flap into the box.
